STATE OF MINNESOTA

IN SUPREME COURT

ADM20-8001

**CONTINUING OPERATIONS OF THE COURTS OF THE STATE OF
MINNESOTA UNDER A STATEWIDE PEACETIME DECLARATION OF
EMERGENCY**

The Governor of the State of Minnesota declared a peacetime emergency on March 13, 2020. Minn. Stat. § 12.31, subd. 2(a) (2018). The Governor's declaration relies on guidance provided by the Minnesota Department of Health to slow the spread of COVID-19 and protect public health; it does not order the closing of state and public facilities. The continuing operations of the Minnesota Judicial Branch, including the day-to-day operations of the state's district and appellate courts, are impacted by the declaration, as are the health and safety of judicial branch employees, the general public, and the interests of citizens in access to justice and the protection of constitutional rights.

The Chief Justice has general supervisory and administrative authority over the courts of the state of Minnesota, Minn. Stat. § 2.724 (2018); *see also* Minn. Stat. § 480.16 (2018). Based on the extraordinary circumstances that led to the Governor's declaration, and in light of the need for continued operations by the Judicial Branch,

IT IS HEREBY ORDERED THAT:

1. Proceedings in appeals pending before the Minnesota Court of Appeals and the Minnesota Supreme Court, including argument calendars, shall continue as scheduled by those courts.

2. Trials in any case type for which a jury has been empaneled and the trial has commenced as of the date of this order shall continue to conclusion, unless good cause exists based on the individual health and safety circumstances of any case participant to suspend that trial.

3. Effective March 16, 2020, the attached Minnesota Judicial Branch Case Priorities List (eff. Mar. 12, 2020) shall be used in each judicial district to identify, assign, schedule, and proceed with cases. Proceedings in Super High Priority and High Priority cases will continue as usual and in accord with the governing statute or court rule.

4. Other than for Super High Priority or High Priority cases subject to paragraph 3 of this order and criminal cases that are subject to a speedy trial demand under Rule 11.09 of the Rules of Criminal Procedure, no new jury trials will begin or be scheduled on or after March 16, 2020, for the next 30 days.

5. Other than for on-going jury trials, Super High Priority or High Priority cases, and criminal cases subject to a speedy trial demand, effective March 16, 2020, all district court proceedings are suspended through March 30, 2020.

6. Effective immediately or as soon as can be implemented, proceedings in any case type, including proceedings before the Supreme Court Commitment Appeal Panel, should be held through Interactive Video Teleconference (ITV) or other video or telephone conferencing to the extent practicable. Rule 1.05 of the Rules of Criminal Procedure and Rule 14 of the Rules of Procedure Governing Proceedings Under the Minnesota Commitment and Treatment Act are suspended until further order of the court in order to facilitate the use of ITV and video or telephone conferencing.

7. Citizens summoned for jury duty for cases governed by paragraphs 3–4 of this order, and jurors currently empaneled for a trial that is in progress as of the date of this order must appear as directed unless the person notifies court administration, in writing, by telephone, or e-mail, that the person cannot appear due to suspected or actual exposure to COVID-19. Parties and witnesses who are scheduled to appear for in-court hearings or proceedings in a case shall notify the court, in writing, by telephone, or by e-mail, if the person cannot appear due to suspected or actual exposure to COVID-19.

8. Courtrooms and court proceedings shall remain open to the public, though non-essential visits to Minnesota courthouses are discouraged. No person who has an elevated risk of transmitting the novel coronavirus that causes COVID-19 may attend any in-court hearing or proceeding. To the extent an individual’s presence is required at a courthouse, court staff will promote the use of social distancing and other mitigation strategies as recommended by the Minnesota Department of Health. [MDH Mitigation Guidance](#)

9. This order will be updated as necessary based on changing circumstances.

Dated: March 13, 2020

BY THE COURT:

Lorie S. Gildea
Chief Justice

At its April 7, 2009 meeting the Court Operations Advisory Work Group (COAW) recommended that the case priorities list reviewed by the work group in December 2008 be utilized as the preferred list for courts to use in the event of an emergency or pandemic situation. The case priorities list was updated in March 2020.

COAW acknowledged that there may be a need for a “Super High” category depending upon the situation in each particular district or county. The Super High category is subject to interpretation by each individual court when the need arises.

COAW further requested that definitions for each category be provided with the case priorities list. Below are definitions for each category as defined by COAW at its December 2008 and April 2009 meetings.

Super High Priority

- High Priority Case (see below) + an immediate liberty and/or safety concern are present requiring the attention of the court as soon as the court is available.
- Examples of Case and Hearing types that may fall in the Super High category include:
 - Criminal Court search warrants, arrest warrants, initial appearances and bond reviews;
 - Family Court domestic abuse temporary protective orders;
 - Juvenile Court delinquency detention hearings and emergency removal matters; and
 - Mental Health commitment hearing.

High Priority

- Statutory and/or rule time line is short, typically less than 30 days
- Constitutional Rights are primarily implicated (i.e.: criminal, juvenile delinquency, commitments)
- Public safety concerns are paramount
- Personal safety concerns are vital (i.e.: housing, custody, domestic assault)
- Economic concerns coupled with any of the above concerns (i.e.: guardianship/conservatorship, housing)

Medium Priority

- Statutory and/or rule time lines are greater than 30 days
- Constitutional Rights are implicated but are not a primary concern (i.e.: non-custody criminal trials)
- Public safety, personal safety and economic concerns are implicated but urgency is low (i.e.: long-term foster care review, post-decree family hearings, contested probate)

Low Priority

- No statutory and/or rule time lines are immediately applicable
- If timelines are applicable the implications of the other identified rights are negligible
